This past Sunday we read in the Gospel of John about Christ’s command for us to “love one another just as he has loved us.” Jesus said that it would be by this very love that others would know that we were His disciples. I have spent some time in conversation with a lot of you since I arrived on the scene and what I have heard echoed throughout all of my conversations is that you all love each other well, but are always looking for ways to love each other even better! As the Associate Rector in charge of Pastoral Care, it is my goal and my hope to aid you all in this endeavor!

By now most of you have probably read the excellent article that Alison Pelegrin wrote for the last Illuminare detailing her time spent in training to become a Lay Pastoral Assistant (LPA) at the beginning of April. What you might not be aware of is that things have been moving and shaking behind the scenes the past few months here at Christ Church and the Holy Spirit is working in our midst! I am beyond excited to share with you the beginnings of what I believe will be a move in the right direction for our parish in terms of pastoral care.

We now have eleven trained and talented lay pastors that will help Father Bill, Mother Anne and me oversee pastoral care needs at Christ Church. What qualifies as a pastoral care need, you might ask? A pastoral care need can range from requesting a visit in the hospital before or after surgery to a need for prayer in a difficult time to a need for a listening ear when discerning a weighty matter. Our Lay Pastoral Assistants have been trained as Eucharistic Visitors, so they may also carry Communion to those who are unable to join us in corporate worship during the week. Lay Pastoral Assistants will also write cards of encouragement, make phone calls to check in and follow up on parishioners and will liaise with the Caring Committee to organize meals and transportation when needed. LPAs are required to attend monthly gatherings where continuing education will be provided by the clergy as well as other pastoral care professionals. Most of all, the Lay Pastoral Assistants will help be the hands and feet of Christ in our midst and they will act as an extension of the clergy’s pastoral ministry.

A few of our goals in developing this team of LPAs are to have a better, broader range of pastoral care coverage for our large and growing church; to more efficiently communicate the way in which someone in need can connect to vital resources; and to help strengthen the relationship between the church and members who because of illness or other issues cannot physically be present during the week to worship. In an effort to accomplish these goals, there will be a team of Lay Pastoral Assistants “on call” each week in addition to clergy support. The LPA team that is “on call” will be listed each week in the Sunday bulletin along with our new pastoral care hotline number. The pastoral care hotline cell phone will be a dedicated line available to you 24/7 for pastoral care concerns and will remain in the possession of the clergy. This hotline will replace the after hours answering service we currently use in the church office. In the coming week you will also notice a new section on our church website (www.christchurchcovington.com) that is dedicated to Pastoral Care under the tab labeled “Our Ministries.” The LPA “on call” list, pastoral care hotline number and a variety of other resources will be available to you via the web through these links.

Our new Lay Pastoral Assistants will be officially commissioned this coming Sunday, May 1st, at all four services. Please plan to join us for worship and to bless these individuals as they begin a new and exciting ministry! There is much more for me to explain and for you to look forward to, so continue to check your Illuminare and our church website in the coming months for ways that you can benefit from and plug in to pastoral care ministries at Christ Church! As always, if you have any questions please feel free to contact me by phone or e-mail mmacintire@christchurchcovington.com. I’d love to hear from you!

Blessings,
Morgan+

Fun with Bananas at Wednesday Link!

We gather weekly on Wednesdays and finish up on May 4th for the annual Cinco de Mayo event!

Recently, we had a fellowship game day for all children and youth groups and what fun we had! All games pointed to going bananas, whether it was fashioning our bananas for soap opera skits, and relays, or turning them into hotrods and racing them down tracks! We find God’s love in all things, even banana games. After fun and games, we gather for an application study of the upcoming Gospel. There are programs for children and adults for all ages and dinner from 5:00-7:00pm. It’s never too late to drop in!

We invite you this week, Wednesday May 4th for a Cinco de Mayo Celebration to finish off the spring season!

We will be announcing the start date for the fall soon! If you would like to pre-register your child for next fall, Children and Youth Registration Forms are found on our website www.christchurchcavanaugh.com or just inside the entrance of the church.

If you have any questions, please email reidyma@netscape.com or feel free to call Mary Anne Reidy at 985-789-6315.

**Vestry Nominees**

**Laura James Ahrons**

I have been an active member in Christ Episcopal Church since moving to Covington with my family in 1979. In 1981 I received my First Communion from Fr. Steve Holzhalb and on the same day my younger brother, Jonathan was Baptized. My husband Steve and I were married in this church in October of 2000 and our three children Caroline, Annie, and Sam have all been baptized here. Our girls attend CES, with their younger brother set to join them this coming August.

Presently, I am serving my second year on the Stewardship Committee and have enjoyed learning about the finances of our church and all the many programs it has to offer us. Between services on Sundays I work with our youth director, Addie Carr, and spend time with the junior high and high school youth. We learn more about the Episcopal Church, cook for some Outreach Programs and get to know each other. The Waffle House Scramble so far is at the top of my list! I have thoroughly enjoyed this experience as I have always thought that getting the youth more involved with Christ Episcopal and with the Diocese is vital to nurturing their love for our church and keeping them involved once they leave for college or wherever life might take them.

I was asked to attend a Diocesan Leadership Conference while I was in high school and that experience and the friends I made strengthened my relationship with the Church. I became very involved within the Diocese and beyond. I attended Rallies, Happenings-#30, Provincial Youth Events- PYE, Episcopal Youth Events-EYE, and Winterlight at Kanuga. I staffed many of these events and was on the committee for Happening and Leadership.

In the past I have worked on the Newcomers Committee which was a great way to meet visitors and new members and also church members that I didn’t know. It is a very active committee with bread delivery, socials, brunches and greeting people on Sunday mornings. Also, I have helped behind the scene in many of our social functions on and off church campus.

Personally, my husband, Steve, and I will celebrate the 20 year anniversary of the Columbia Street Tap Room & Grill and the seven year anniversary of Seiler Bar this October. We are very grateful for the support both of Christ Episcopal Church and School that they have afforded us over this time. In my capacity as owner I have been active in coordinating events that give back to our community. One example is Football for Charity which takes place every fall. The Church has participated in this the past few years and everyone enjoyed good fellowship at the Tap Room while raising money for one of the Outreach Programs.

It would be an honor and privilege to serve on the Vestry. I would welcome the opportunity to give back to Christ Episcopal Church as it has given so much to me and my family.
Jay Gieger

It is an honor to be nominated for the Vestry at Christ Episcopal Church. I feel this calling is a perfect way to give back to a parish that has already done so much for my family.

I have been an Episcopalian my entire life. I was baptized and confirmed at St. Augustine’s Episcopal Church in Metairie, LA. This is also the church where I married my wife Ann and baptized my first child, Greta. 22 years ago, my family and I relocated to Madisonville from Metairie. We joined St. Michael’s Episcopal Church in Mandeville where my son Jamie was baptized. After a couple of years as members of St. Michaels, my grandparents, Jim and Dottie Bowers, asked us to attend Christ Church with them. After witnessing the flourishing Episcopal spirit at Christ, we quickly realized we had found our permanent spiritual home. Since then, my daughter has been confirmed at Christ Episcopal and my son is currently enjoying the confirmation process. My wife teaches Godly Play and my kids are very active in the youth groups. At Christ I have served as Visiting Eucharistic Minister, Usher and Chairman of the Finance Committee for the past 4 years. I have attended many adult formation classes and am active in the Men’s Club and retreat.

After serving in the U.S. Navy, I graduated from the University of New Orleans with a degree in accounting and subsequently earned my Certified Public Accounting license. After a number of years working in public accounting, I am currently employed by Peter A. Mayer Advertising as Vice President and Chief Financial Officer. I feel my background as the Chairman of the Finance Committee provides me unique background for serving on the Vestry.

E. Colin McComiskey, MD

I have been a member of Christ Church Covington since the late nineteen-nineties, just after moving to Covington from the Southshore and two years prior to Dottie and I being married here in the Chapel in 1999. My history of participation within the church family has mainly been with our two largest missions, Christ Episcopal School and Christwood Retirement Community. At the school, I served on the Board of Directors from 2006 to 2011 acting as Vice Chair for two years and eventually Chairman from 2008-10. I was especially gratified to be a part of the early committees which conceived of the High School expansion, and consequentially the board that oversaw implementation of the High School which graduated its first class in 2012 and should have an enrollment nearing 100 students next fall. I have served on the Christwood Board of Directors from 2013 to the present. In 2012, I served on the Bishops task force to revise the health plan for the Diocese of Louisiana. I was honored to be a part of this past Search Committee which called Father Bill Miller to us in 2015. That said, I am best known at church for being the father of three truly fantastic boys (Emmett, Sander and Chance), who acolyte and read frequently at the nine o’clock service.

I was born into the Episcopal religion and attended Trinity Episcopal School in New Orleans, but attended and was baptized and confirmed at Christ Church Cathedral in New Orleans where I was a part of the community tutoring program during my high school years.

I have been a practicing ophthalmologist in Covington since 1997, while Dottie and I have lived in Tchefuncta Estates since 2000. We spend all of our free time driving children here and there, but I do enjoy early morning runs, travelling with my family, and on the occasional Saturday afternoon when I have a chance, losing to my kids in golf.

No matter the outcome of this process, I have and always will deeply appreciate the ability to serve and worship with the parishioners of Christ Church Covington. I am sincerely grateful for Christ Church Covington, which has supported my children and my family intellectually and spiritually- and I feel a need to give back. This is a special and exciting time in our parish, as many of us feel a renewed warmth and vision, and an exciting future with Father Bill as our leader. It would be an honor to simply be a part of the process of growing our ministry, outreach and church family.
My name is Philip James (III), and my family and I have been members of Christ Church since moving from New Orleans to the Northshore in June 2005. I am blessed to be married to Susan (nee Spell) and together we have three sons: Philip, IV (19) who is finishing his first year at Tulane, William (16) a rising Junior at St. Paul’s, and Andrew (9), who is finishing third grade at Pontchartrain Elementary School. I have worked in Global Corporate Account Management for the last 13 years for Belmond, a luxury hotel company that was formerly known as Orient-Express Hotels.

I am a lifelong Episcopalian, having been baptized and confirmed at St. Paul’s Episcopal Church in New Orleans, as a third generation member. Susan and I were married at Trinity Episcopal Church in New Orleans 23-years ago, and our 2 older sons were baptized at St. Paul’s and confirmed here at Christ Church in 2013 and 2015. Andrew was baptized here in 2007. All three have served as Acolytes.

Throughout my life I have been participating in church activities. At St. Paul’s I grew up attending Sunday School, being an Acolyte, EYC (aka youth group), Diocesan Youth Rallies, Happening (#'s 15, 17, 18 and 19 as Lay Rector), and then as a young adult I started serving in various capacities: Sunday School Teacher, EYC Assistant, Lay Reader, Eucharistic Minister, Acolyte Master; and at Christ Church I have been a Lay Reader and I currently participate in the Men’s Group and Habitat for Humanity work days. I have been a delegate to the Diocesan Convention several times for both Christ Church and St. Paul’s.

At the Parish and Diocesan levels I have served on several committees and boards, including: Happening Committee (statewide), Executive Committee of the Diocese, Planning Committee for “A Special Place” (later known as the Solomon Episcopal Conference Center), Outreach Committee and Vestry (St. Paul’s), Diocesan Convention Host Committee when the convention was held here at CCC in 2011. And more recently, I was a member of the board of the Solomon Center from 2008 until 2014. Later this year I look forward to the opportunity to take an active role in our Capital Campaign.

I have accepted the invitation to put my name into nomination for the Vestry because I feel that the time is right for me to serve Christ Church in ways that I am not sure I was previously ready to do. Ours is a unique church in a richly blessed community. These times are both exciting and challenging as we simultaneously straddle between great abundance and great need. Per our Mission Statement, we are to be Christ's heart, hands, and feet in today's world; and I would like to challenge myself and others to live into this calling by lending my voice to the Vestry as a traditional Episcopalian who is eager to be vulnerable and to try different things in an effort to hear, understand and follow the will of God both personally and administratively. If I am elected, I vow to serve our church prayerfully and with integrity, enthusiasm and thoughtfulness.

Please join us at Christ Church on Sunday May 15 for Annual Meeting! Ministry Fair! Vestry Vote!
**Randy Moffett**

I became an Episcopalian in 1971 when I married my wife, Barbara. Following retirement we moved to Covington in 2014 and became members of Christ Church. Without a doubt that has been a great decision for us. Our 3 children and 6 grandchildren live in Baton Rouge, Mandeville and Ocean Springs, MS, making this an ideal location for us.

Currently I am a participant in the Sunday morning *Empowered to Serve* men’s group and also attend Fr. Miller’s *Tap Room Theology* on Wednesday evenings. We support the 3rd Sunday concert series as financial contributors and attendees and regularly attend (and have hosted) our Connections group. I also volunteered as an usher at Jazz in January.

We have been active members of three other Episcopal Church parishes in Louisiana. In the early 70’s we lived in Natchitoches, Louisiana, where I served on the vestry and was Sr. Warden (1975-76) at Trinity Episcopal Church prior to moving to Hammond in 1976. We attended Grace Church in Hammond for 32 years where I served several terms on the Vestry and was active in the Laymen’s League (serving a few years as President). We then lived in Baton Rouge for 5 years and were active members of St. James Episcopal Church.

Active participation in the community has always been important to me. Past community roles include Rotary Club of Hammond, where I served as an officer and President, Hammond Chamber of Commerce Board of Directors, Hammond City Zoning Board, and United Way Board of Directors and Campaign Chair. I am currently on the Board of Directors of Tchefuncta Club Estates, serving as President of the Board for the current year.

It is an honor to have been nominated to serve on the Vestry for Christ Episcopal Church. I feel very blessed to have had opportunities and experiences that would enable me to serve and contribute to the mission and goals of Christ Church.

**John Newman**

My wife, the former Geni Richardson, and I have been married for 38 years. We have three adult children, Virginia, who is living in Alexandria, VA, Elizabeth, who is living in Chattanooga, TN, and our son James, daughter-in-law Hilah and their children Bayne and Eloise who are living in New Orleans.

I grew up in Columbus, MS and moved to New Orleans after getting my Accounting degree from the University of Mississippi. I was in Public Accounting with Arthur Andersen, LLP and Ernst & Young LLP for thirty years. I left Public Accounting in 2003 and became the Chief Financial Officer and Treasurer for LLOG Exploration company, LLC, a longtime client of mine.

At Christ Church I have been one of the Church’s representative at diocesan Conventions, served on the Finance Committee, the Stewardship Committee and I have been an unskilled but enthusiastic laborer on our Habitat for Humanity efforts.

A few years ago I joined the Sunday Men’s Group and have been moved by the friendship and spiritual leadership of this group. This diverse group has reached out to the Christ Church congregation in large and small ways. This group takes action and serves our community well.

I am pleased and honored to be nominated to serve on the Vestry of Christ Church. Under the capable leadership of Fr. Bill, Christ Church is poised to grow and with this growth expand our outreach in the community. I believe that my previous church and business experience will allow me to provide an additional perspective for the hard and important work of the Vestry.
Steewardship Committee Report by Tom Abernathy

With the first quarter of the year behind us, the stewardship committee would like to provide a final update on our financial stewardship campaign - Vision 2016. We are excited to announce that with the pledges received plus a forecast of the non-pledged giving (based on the amount received in our first quarter), we believe we have reached our extraordinary goal of $1,000,000! The vestry has approved a balanced budget for 2016 of $1,055,000. Aligning with Vision 2016, our new budget now directly funds our outreach programs through our budget and expands the many ministries of our church. We are thankful to so many of you that believed in the Vision and continue to give so generously!

- We had 28 new families / individuals pledge this year and our total number of pledges increased by 3 to 217 pledges.
- Our total amount pledged increased by 15% this year to $685,000.
- We are also hoping to receive an increase of around 15% this year in the “un-pledged” giving which we are forecasting to reach $363,000.

It is exciting to see what can be accomplished when so many in the parish give generously and sacrificially toward the work of Christ Episcopal Church. Thank you to all of you again for your contribution to the future of our church and ministries.

Despite the rain, around 45 of our most treasured parishioners turned out for the 'Super Senior Brunch' held at Father Bill’s home on April 13.

“It was total Southern hospitality, Bill Miller style,” said Anne Butts. “The food was wonderful, he was very gracious and we loved looking at all the memorabilia throughout his house. We had a ‘super’ time.”
